June 2018

May Update...

May started with a short sigh of relief: much programming becoming complete for the school year, and the Lent & Easter season being finished. However, many things still in the schedule to accomplish.

The biggest thing in the youth and family world is the Houston trip quickly approaching, and the fundraising that is going on to try and make this all happen. We have our 120 Challenge continuing...though we are less than a month out from the team loading up the bus! But as you can see, we are still in need of \$8,000. If you can, please continue supporting us through the 120 Challenge and the Thirty-One catalog party going on through Kayla Reuter...and we thank her for helping us out!

We had one other HUGE fundraiser in May, and that was the selling of Krispy Kreme donuts. Macenzie Wood headed this up since she had done it a few times with her sorority at college. Their largest order had been 96 dozen. For our fundraiser, we beat any goal we could have set for ourselves and ordered 248 dozen!! Our kids worked hard on this really came through with adding over \$1500 to our total goal! So proud of them!

Also in May was celebrating our 9 graduates, along with handing out 10 scholarships to our own college students. Thank you for your essays and for continuing your education. Thank you also to the families that offer such a fantastic scholarship program to our very own youth. Happy Memorial Day, all! ■
