Fall Update...

This fall was rather different since Heidi was on maternity leave and not around until November. I would like to say THANK YOU to around 10 people that stepped-up in various ways to take care of the numerous areas I left a hole in. You're all stupendous and much appreciated in taking care of things and especially our youth in my absence.

We couldn't ask for better people at Bethlehem that rely on the Holy Spirit, listen to His leading, and follow through with such commitment and grace. Blessings to you all! ■

Pie Auction Results

This year the pie auction had 28 pies and brought in \$935! Thanks to EVERYONE who made a pie for us, thanks to those youth that could help out, and also thank you to those who purchased the pies and ate them!! Everyone was needed and the youth greatly appreciate your support! ■
